

# CITY BOXING COMMISSION MAY BE ESTABLISHED HERE

## Three-Man Commission Would Regulate Sport in This City

Lovers of Clean Sport Endorse Proposed Commission and Promise Aid.

### CLEAN SPORT DEMANDED

Game Will Be On Square Or Will Be Stopped, Says Mayor Hubbard.

By LARRY DAILEY.

Formation of a city boxing commission, composed of "three hard-headed Tulsa business men," is the intention of Mayor Hubbard, who has declared the mayor "boxing, when properly conducted, is a great sport. But when improperly conducted it arouses the disgust of every lover of clean sport. It is my intention to establish a city boxing commission composed of three hard-headed Tulsa business men who are familiar with boxing and who have the interests of that sport and of the fans of this city at heart."

Mayor Hubbard's proposal to establish commission boxing in Tulsa will be greeted with satisfaction by all boxing fans who love the sport for the sport's sake. Boxing has undergone dark days of stress but has enjoyed a new lease of life, thanks to interest inspired in the sport during the war in some sections the game is flourishing to a marked degree. And in those sections it is commission boxing that has placed the game on an established basis. Short-sighted state legislators refused to sanction a state boxing commission. But a city commission can run the affairs of boxing in Tulsa. Commission boxing in New Jersey, Wisconsin, Michigan and other states has been the only means of reviving the game.

Boxing in Tulsa has undergone several jolts in recent years from unscrupulous promoters, managers and boxers and despite these jolts has recovered each time. Tulsa boxing fans have shown they are without an equal in their interest in the sport and their desire for clean boxing. And it is only through a city commission, composed of men known for their integrity and civic pride and who will be empowered to punish any promoter, boxer or manager, or to refuse to grant a boxing card, to be put on, providing, of course, that the principal or bout is detrimental to the sport, that boxing can be a success here.

While Mayor Hubbard's plans are only in a tentative stage, the formation of the commission is expected to be consummated within a few days. Several Tulsa fans who have been sounded on the boxing commission have been enthusiastic over its possibilities and there is no doubt but that it will have the unqualified endorsement of every real sporting fan in this city.

### SEVERAL CHANGES IN LINEUP OF FARMERS

Voyles Goes to Fullback from End—Weaver Replaces Blatter at Quarterback.

Special to The World.

STILLWATER, Okla., Nov. 18.—Coach Fiske has made several significant changes in the Oklahoma line-up in the Phillips battle and if these changes seem to be effective the new arrangement in both the line and the backfield will be used against Kendall college on Lewis field next Friday.

"Dutch" Voyles, veteran end, has been sent to fullback, replacing Blatter. Weaver has been sent to quarterback in Blatter's place and "Chase" is working at linebacker's guard.

Oklahoma A. M. expects to gain more against the Kendall line than was gained against the boosted wall of Phillips in the Phillips battle. The Aggies fear Kendall's passers more than they feared those of Phillips, and the Haymakers were successful in seven of 11 tries, thereby gaining 136 yards.

The Aggies are working hard to be in better shape than Kendall. Fix-lee's men practiced until after dark Saturday afternoon. Sunday afternoon they spent three hours on a long hike-talk in the country. Monday was scrimmage day against the scrubs and prep.

### Johnny Noye Claims Title Victory Over Tendler the Reason

Since Johnny Noye won, from Lew Tendler on a foul in Denver recently he has claimed the lightweight championship. Noye bases his claim to the title on the fact that Benny Leonard no longer can make the lightweight limit of 133 pounds and Lew Tendler was considered the best man of the class. Noye is now willing to meet the Philadelphia fighter in a return engagement, and is also ready to tackle Leonard any time Benny says the word. Noye is willing to meet Leonard at any of the clubs in New Jersey. However, it is probable that the bout will not be arranged, as Noye makes one provision, and that is that the title holder must make the lightweight limit.

According to word from Denver, where the Tendler-Noye battle was staged, the Quaker City lightweight was warned twice by the referee for hitting low before he was finally disqualified in the third round. After the referee awarded the bout to Noye the latter was examined and the physician's report said Noye was suffering from bruises in the right groin.

Dreyfuss hasn't officially turned Hugo Bezdek loose, but it is daily expected.

### WICHITA FALLS CARPENTER TESTIFIES

"I Know Now Why So Many Are Praising Orgatone," Says Hubbard.

"I don't believe there's a medicine or treatment in the world that will make you feel as well all over as Orgatone does. I mean, if there is one, I have never found it," said H. T. Hubbard, a well known and popular carpenter, residing at 820 Austin street, Wichita Falls, a few days ago.

"I have been in general bad health for some time," continued Mr. Hubbard. "I was all run down and didn't have enough energy hardly, to walk to and from my work, and I suffered terribly with nervous headaches. I couldn't digest even the lightest kinds of food, and most everything I tried to eat just lay on my stomach like a lump of lead, and my kidneys bothered me continually."

"I read so much about Orgatone, and knew of so many people who had been benefited by it, when nothing seemed to do them any good, and I decided to try it myself, and now, after taking it only a short while, I am feeling fully one hundred per cent better. My appetite is so fine that I can eat almost anything in sight, and nothing hurts me in the slightest. I haven't had a sign of that nervous headache since my first dose of Orgatone, and my general health has improved wonderfully. The fact of the case is I just feel like a new man all over. I am full of energy all day, and get the old time pleasure out of my work and I've found out why it is so many people endorse Orgatone, and I'm glad to add my name to that list."

Orgatone is not a so-called patent or secret remedy, but a new scientific treatment absolutely free from alcohol in any form, and is sold in Tulsa exclusively by Roy H. Getman's Rexall store, 113 South Main and Flatiron building, West Tulsa, under the personal direction of a special Orgatone representative.—Advt.
